

## Pastry Shapes and Sheets (Ready to Bake)

Whatever your pastry requirements, Bells have it covered, not only with our range of standard lids, sheets, speciality shapes, but also because if you have a particular need, we can tailor make the exact solution for you.

So although we believe our range of high quality Scotch method puff pastry products will cover most eventualities, with rounds, ovals, squares, shells and lids. Please feel free to ask us about any bespoke products you, or your customer may require.

We can also create pastry blocks and rolls to your own specification or recipe, depending on volume.
